

TERMS AND CONDITIONS RELATING TO FALMOUTH HARBOUR

SUPPLEMENTARY TERMS/CONDITIONS APPLYING SPECIFICALLY TO CUSTOM HOUSE QUAY SMALL CRAFT PONTOON

1. Berthing

The Owner must ensure that their vessel is suitably berthed and that sufficient fenders are placed between it and the pontoons to avoid damage to it and other vessels. The safety of the vessel whilst berthed remains the responsibility of the Owner and crew. Should adverse weather conditions prevail, it may be necessary to put out extra lines and/or fenders. In severe weather conditions it may be necessary to move berth to avoid endangering vessels or pontoons.

Under no circumstances may equipment or signage be affixed to or through the pontoon infrastructure

Please contact a member of our team should you have any requests here.

2. Vessel dimensions and suitability.

The maximum dimensions of the vessel to use this facility is 6 metres Length Overall and 2.5 metres Beam. These dimensions must not be exceeded. Vessels must be well-maintained and in seaworthy conditions at all times.

We reserve the absolute right to determine the suitability of the vessel for the facilities being provided.

3. Safety and Security

- It is the Owner's responsibility to ensure that their vessel's safety is adequately monitored whilst on the berth.
- Care must be taken when moving around on the pontoons as there may be tripping hazards ropes or other paraphernalia present. Particular care should be exercised when crossing access bridges or connections between pontoons. Do not place tenders or equipment where it may obstruct free passage. Pole pontoons are not weight bearing and only decked areas should be stepped on when accessing vessels.
- Extra care must be taken during cold conditions as the pontoon surface may become slippery.
- In the interests of safety cycling is strictly prohibited on the pontoons. Swimming and angling from the pontoons is also prohibited.

4. Pontoon Access

Access to berths is restricted to berth holders only. Any access codes or instructions issued are to be kept secure.

5. Halyard and Rigging

All halyards and loose rigging shall be frapped.

6. Depth

Please ensure that there is sufficient depth of water available in the basin to enable safe transit to and from the pontoons before entering or leaving the berth.

7. Use and Notice

Berths are allocated annually. Berthing facilities may be withdrawn with two weeks' notice in the event of force majeure rendering it impossible for the facility to be provided.

8. Pets

Well-behaved dogs are welcome at Falmouth Harbour. Dog mess must be cleaned up immediately. Failure to do so may result in termination of your agreement. Dogs need to be on leads when out and about on our pontoons.
